NEW COLLECTIONS – AUTUMN 2022

MONTSOUREAU AND MONTSOUREAU WEAVES

MONTSOUREAU

A romantic collection of decorative prints and embroideries, featuring a glorious mix of stylised florals and foliage infused with the rich traditions of Indian chintz textiles.

The collection takes its name from the Château de Montsoreau and the designs reference the beautiful surroundings of the Loire Valley, as well as Alexandre Dumas's historical novel *La Dame de Montsoreau*.

MONTSOUREAU WEAVES

Nina Campbell presents a collection of patterned and semi-plain weaves for upholstery in characteristic colours from her palette such as coral, pink, green, beige, yellow and blue. The fabrics provide the perfect complement to the more decorative fabrics in MONTSOUREAU and to many of Nina's recent collections.
